

Appl. No.: 10/536,544
Response dated May 8, 2007
Reply to Office action of January 11, 2007

Remarks

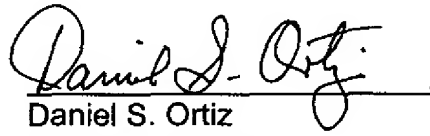

Claims 12-24 are pending in this application.

The claims have been amended to claim a plasticizer composition. Applicants respectfully submit that the amendment to the claim is fully supported in the specification and claims as originally filed.

Claims 12-15 and 23 stand rejected over the claims of 15-18 of Application Serial Number 10/536,600. Applicants will attend to revising the claims in Application Serial Number 10/536,600 when an Official Action is responded to in the application or the rejected claims are indicated as allowable in the present application.

Respectfully submitted,
